## TV Licensing

Set out below is information provided by TV Licensing regarding students living in college.

### **You must be covered by a TV Licence to:**

- watch or record programmes as they're being shown on TV or live on an online TV service, such as All4, Sky Go and YouTube, or
- download or watch BBC programmes on iPlayer.

This could be on any device, including a TV, desktop computer, laptop, mobile phone, tablet, games console, digital box or DVD/VHS recorder.

The College's TV licence does not cover your room.

You may be covered by your parents' licence. If you think you are, please check that **all of the following are true** before telling the Licencing Authority that you don't need one:

Your out-of-term address (parents' address) is covered by a TV Licence

**AND** you only use TV receiving equipment that is powered solely by its own internal batteries

**AND** you have not connected it to an aerial or plugged it into the mains.

To purchase a TV Licence and for further information, including FAQs and how to apply for a refund, please go to the tvlicensing website at **[www.tvlicensing.co.uk](http://www.tvlicensing.co.uk)**
